## WORK

### UX Design Intern

May 2018 - Aug. 2018

The Home Depot

- **Designed and evaluated** a centralized dashboard to help the Home Depot developers troubleshoot cloud deployments, which would save around 20% of developers' time.
- **Led** kick-off meetings, interviews, design studios, and user testings.
- **Advocated** for the importance of User Experience and **engaged** the core team and stakeholders throughout the design process.

### Oratory Coach

Jan. 2014 - Dec. 2014

Middlebury Oratory Now

- **Designed** public speaking workshops and **coached** over 100 students for public speaking events, including TEDx competition and student symposium.

## PROJECTS

### UX Design & Research Lead

Jan. 2018 - Oct. 2018

Eatxplore - Breaking the Cultural Barriers of Food

- **Led** the research, design, and evaluation of an app that helps international students order in ethnic restaurants. **Advocated** for User Experience and **engaged** engineers throughout the process.
- **Iterated** on the design after the group project ended.

### VR Designer & Developer

Sept. 2018 - Present

Thriller VR - Dancing/Imitation Experience in Oculus Rift

- **Designing, prototyping, and evaluating** a VR experience that encourages interactors to dance by the invitation of a virtual character.
- **Reflecting on design conventions in VR** to compensate for the platform's constraints and guide interactors' actions through narratives.

### UX Designer

Sept. 2017 - Dec. 2017

Mirror Mirror - Using AI to Cultivate Mindfulness in Personal Finance

- **Identified** emerging adults' need to form good spending habits through expert interviews, user interviews, and surveys.
- **Designed and evaluated** a mobile app that encourages users to reflect on past purchases and provides them with spending suggestions.

## EDUCATION

### Georgia Institute of Technology

M.S. Human-Computer Interaction

Aug. 2017 - May 2019 4.0

### Middlebury College

B.A. Computer Science & Psychology

Aug. 2013 - May 2017 3.97

## SKILLS

### Design

Sketch	Framer X
InVision Studio	Principle
Axure	Paper Prototype
Photoshop	Illustrator

### Research

Surveys	Contextual Inquiry
Interviews	Affinity Mapping
Persona	Usability Testing

### Development

Java/Android	Swift/iOS
HTML/CSS/JS	Bootstrap
React.js	D3.js
Python	Unity (VR/AR)

### Communication

Critical Writing	Storytelling
------------------	--------------

## AWARDS

**Bestfolios.com** - Design portfolio featured as Editor's Pick

**NetImpact** - Tech for Good Fellowship

**HackRPI** - Best Mobile Hack & Best Use of TripAdvisor's API

**The New York Times** - College Essay Competition Winner
